AKC S.T.A.R. PUPPY PROGRAM

Life skills will be taught to new pups, including basic commands. Proper socialization, interactions, and responsible dog ownership will also be addressed. This class is open to all pups up to one year of age.

PRACTICAL HOUSEHOLD OBEDIENCE—LEVEL 2

This class is for the graduate of the S.T.A.R. Puppy or Level 1 class. Consistency and reliability will be significantly improved through distraction training and attention training. Emphasis is on off-leash work, hand signals, and progression toward advanced obedience, Canine Good Citizen, or therapy dog certification.

AKC CANINE GOOD CITIZEN (CGC) PROGRAM

THERAPY DOG TRAINING and AKC ADVANCED CANINE GOOD CITIZEN (CGCA)

The Advanced Canine Good Citizen (CGCA) title is part of the AKC's Community Canine program, and is designed to evaluate a dog's real-world skills in a natural, community setting. Dogs MUST have an AKC number and proof of the Canine Good Citizen (CGC) award/title on record at AKC. Details can be found at www.akc.org. Testing for the CGCA is included in the fee. While therapy groups do not require CGCA certification, we believe mastering the advanced skills covered by the CGC and CGCA curricula will aid in obtaining therapy certification offered by various therapy dog groups. NOTE: Therapy dog certification is required by most health-care facilities and schools for visiting dogs and handlers. Most therapy dog groups will not certify dogs less than one year of age.
