THERAPY DOG TRAINING and AKC ADVANCED CANINE GOOD CITIZEN (CGCA)

The Advanced Canine Good Citizen (CGCA) title is part of the AKC's Community Canine program, and is designed to evaluate a dog's real-world skills in a natural, community setting. Dogs MUST have an AKC number and proof of the Canine Good Citizen (CGC) award/title on record at AKC. Details can be found at www.akc.org. Testing for the CGCA is included in the fee. While therapy groups do not require CGCA certification, we believe mastering the advanced skills covered by the CGC and CGCA curricula will aid in obtaining therapy certification offered by various therapy dog groups. NOTE: Therapy dog certification is required by most health-care facilities and schools for visiting dogs and handlers. Most therapy dog groups will not certify dogs less than one year of age. **PRE-REGISTRATION FOR THIS CLASS IS REQUIRED.** Please call or email us (caninetrainingCTBS@gmail.com) about class times and to register.

ADVANCED OBEDIENCE / RALLY "O"

Rally and advanced obedience offer dogs and their handlers an experience that is fun and energizing. The class focuses on Rally signs, Rally exercises, and the attention skills that dogs need for performance events. Successful completion of Household Obedience Level 2 is required.
